

CLEAN ENERGY IMPROVEMENT PROGRAM

The Clean Energy Improvement Program is launching in Stettler on March 26th, 2024! This optional financing tool allows for residential and non-residential property owners to finance up to 100% of home energy efficiency upgrades and renewable energy installations. This allows property owners to access competitive financing and make repayment convenient through your property's regular tax bill. For more information on the program, visit: www.stettler.net/live
