## AUGUST 2024

WWW.STETTLER.NET

403-742-8305

5031 50 STREET, STETTLER AB

### 2024 CULTURE DAYS

Share the experience of Alberta Culture Days right here in Stettler throughout the month of September. Join one of the planned Swiss events that showcases our community's unique talents, pride and passions. Make your connection to culture. There's something for everyone!

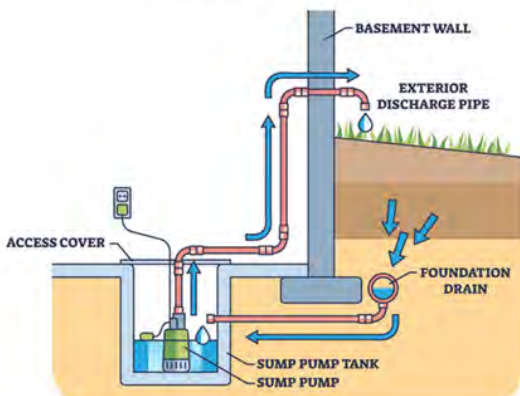

A full line up of events is available by visiting [www.stettlerculturedays.com](http://www.stettlerculturedays.com). Registration may be necessary for certain events.

### KINSMEN PLAYGROUND REVITALIZATION

Over the next two months, Town crews and volunteers from our local Kin Clubs will be working at the park by 50A Ave & 60 Street removing equipment, excavating the area, prepping for an accessible pathway installation and ultimately the construction of a new playground area. The new playground will feature a new play structure, swing set, picnic table area, and more. We thank you for your patience at this time!

### SUMP PUMP

### SUMP PUMPS: YOU MAY NOT KNOW

It might seem like the most convenient route for discharge, but when a sump pump connects to the sanitary line, there is the potential that sewers may fill beyond capacity. This creates a heightened risk of water and sewage coming back up through your pipes and damaging your home. Properly out-letting your sump pump and storm drainage can help! All sump pumps in Stettler must be plumbed to the outside of your house and discharged onto your property away from your foundation. For more information on our Sump Bump Bylaw 1102 please visit [www.stettler.net](http://www.stettler.net).

# MUSIC IN THE PARK
