

### 2025 ANIMAL LICENSES

Your furry friends need I.D. too! 2025 Cat and Dog licenses are now available at the Town Office. Purchase your license by January 31st to save \$10 per pet and receive the following rate:

\$15 for Spayed and Neutered Animals

\$40 for Unaltered Animals

Kendra Duff's sweet gal, Bailey loves soaking up the sun and is ready for her new I.D.,

Pat Olson's Dexter loves the great outdoors. He is looking forward to his new I.D. in case he needs it for their camping adventures.

### SNOW REMOVAL

It's that time of the year! We never know when snow will strike our streets, and ask that residents be aware of snow removal signage as it is posted. By ensuring that curb ramps are removed and vehicles are moved from the street, everyone can play a part in ensuring that snow removal is completed safely and efficiently. Thank you for your cooperation and help!

Presents  
**OVER THE MOON**  
 Sunday January 19, 2025

# Stettler Hospital Outpatient Clinic

**Important notes for Outpatient Clinic patients**

Stettler Hospital and Care Centre has both an Emergency Department (ED) and, newly installed as of August 2024, an Outpatient Clinic. The two are co-located in the ED.

The Outpatient Clinic was created for patients requiring a non-urgent level of care without the need for a physician. These appointments are scheduled and by referral.

**Please note:** The ED and the Outpatient Clinic share staff in the event of an emergency case that requires additional assistance. While Outpatient Clinic appointments are scheduled, if emergencies require the assistance of both ED and outpatient staff, that care will take priority. This may lead to appointment delays.

We ask for your understanding and patience. We are making every effort to deliver care and honour appointments; however, on occasion, start times may be delayed.

We ask that you please arrive for your appointment at the scheduled time and wait patiently. Delays may vary but it is a rare occasion to wait more than one hour. Please do not leave or reschedule.

We are working to care for you as soon as possible.

Unfortunately, some patients with appointments have become upset when their appointments are delayed due to an emergency case requiring the assistance of outpatient clinic staff.

AHS aims to uphold respectful work and care spaces for its visitors, patients and staff. Physicians and staff will not tolerate verbal abuse.

**Thank you for your understanding and patience as we care for both you and our emergency cases.**
